Private Instruction Etiquette and Expectations

Students are expected to be **on time** for all lessons

Online Students should be in their Zoom waiting room **no less than 5 minutes prior to their scheduled lesson time** and have their workspace set up (Computer, Music Stand, Instrument etc...)

Online Students also need to be in a quiet space in their home with little distractions so that they can focus and pay attention during their lesson time

In-Person Students are expected to arrive **at least 10 minutes early** to my home studio

ALL Students should be **warmed-up and ready to present** their assigned materials prior to each lesson, this ensures a more efficient and productive session.

Students are expected to have practiced their assigned lesson materials **at least 3 – 4 times between lessons**. Regular personal practice of the assigned materials is essential to improve as a trumpet player and musician.

Students are also expected to have instruments that are in **good working order** at the time of each lesson. Information on instrument maintenance and repair is available at NickCiullaTrumpet.com/Lessons

If you agree to the above policies and expectations, please sign below, and return to me via email NickCiullaTrumpet@gmail.com or in-person **before** your next lesson time:
